

Dear Parents

It's Good to be Back

I thoroughly enjoyed my recent trip although I needed a "holiday to recover from the holiday" on my return! Being part of the 100th anniversary of Gallipoli was indeed a privilege. The Turkish people are very respectful, not only of their own lost soldiers, but of ours too. The cemeteries are kept beautifully and the people are very friendly. I read in the ship's newsletter that this year's Anzac celebrations have been responsible for emergence of a portapotty industry in Turkey!!!

Thank You

Thank you to Sherree Nicholson and Tarin Collins for taking on my principal and classroom duties. As expected, they both did a fantastic job. Sherree was ably supported by Josie Kent. As I have said many times, Moorine Rock Primary School has a willing, capable and very flexible staff, all of whom are prepared to do that bit extra. Thank you to everyone.

Good Bye

I was very sad to hear of Tania's departure. Tania has been a long standing and valuable member of this staff and we will miss her. However, Bruce Rock will certainly benefit from her expertise and we wish her all the best.

If any parents are able to help out on the day can they please ring the school on 90491176 as we are short football coaches, football umpires and netball umpires.

Elephant in the Wheatbelt

Manners

Recently, Staff has noticed a decline in simple courtesies and manners. Consequently, at last Friday's assembly, I spoke to all students about manners and expectations. Already, I have noticed an improvement and will be encouraging students to think of others as they go through their day.
