Newsletter 12 2015

Dear Parents and Community Members

As I write this newsletter, it is pouring outside and so a few "rain" jokes seem appropriate.

Q: What do you call it when it rains chickens and ducks?

A: Foul (fowl) weather.

Q: What did one raindrop say to the other?

A: Two's company, three's a cloud

Q: What did one raindrop say to the other raindrop?

A: My plop is bigger than your plop.

It was great to see most of the students back at school Monday morning. They all appear to have enjoyed their break and settled to work quickly. This will be a busy term as we prepare for the athletics carnival. We have a reputation to uphold and so will be training very hard.

I am looking forward to seeing many of you at parent interviews.

Regards

Lyndy Richmond
Principal
